

Cozinha

"Cozinha" inspired by the Portuguese word for "kitchen", reminiscent of a family togetherness where your senses are indulged with the feeling of happiness, laughter and the memories of all the aromas of life incorporating the essence of a multi-cultural experience that inspires the vision of Cozinha, our kitchen.

"Cuisine" deriving from the pronunciation of Cozinha that elevates traditional cooking to a unique experience with a distinctive ambience of elements that are carefully selected by our acclaimed chefs and served by our pleasant and friendly staff compliment.
